Inspection Report

Location : ITO Chungi
Area (in ha.) : ITO Chungi various loops
Year of Plantation : 2024-25
Scheme : State Budget

It is to submit that an inspection of shrubs and bamboo at the ITO Chungi plantation area (various loops) was carried out by the undersigned on 13.9.24... and it was found that the contractor is maintaining the site properly by taking up regular tending operations such as watering, cleaning, hoeing, removal of weeds including watch & ward of the plantation area.

During the inspections records were also checked and it was further directed to site incharge to update the entries in stock register including details of utilization of water tankers, replacement of plants (if any) works carried out by the labourer deployed at the site on regular basis for compilation of records.

Inspection Report

Scheme: State Budget
Year of plantation: 2025-26

It is to submit that an inspection of the various plantation sites i.e. Saleemgarh various loops and parts (15000 shrubs), Shastri Park Metro Station (10000 Shrubs) and Garhi Mandu Pkt B, C, D and E (20000 Bamboos) are carried out by the undersigned as per the order vide no. F.No.52/CFD/Dev/Cr. & Maintenance/consolidated tender/2025-26/5967-74 dated 15.01.2026.

Further, during the inspection of the areas, it was observed that the maintenance work is being carried out properly by the contractor and the plantation of shrubs and bamboos at the above-mentioned locations is being maintained satisfactorily by ensuring regular cleaning, watering, hoeing and weeding of the area are being carried out by the contractor. Further, the concerned site incharges were directed to update the relevant records/plantation Journals in desired format.
