Inspection Report

Location: At periphery of Shastri Park and Garhi Mandu plantation sites
Year of plantation : 2024-2025
Scheme: State Budget

It is to submit that an inspection of shrubs and bamboos at the Garhi Mandu Plantation area and Shastri Park Plantation area was carried out by the undersigned on 05.09.2026 (Saturday) and it was found that the working agency has completed the work and is maintaining the site properly by taking up regular tending operations such as watering, cleaning, removal of weeds, casualty replacemen including watch & ward of the plantation area.

During the inspections records were also checked and it was further directed to site incharge to update the entries in stock register including details of watering, replacement of plants, works carried out by the labourer deployed at the site on regular basis for compilation of records.
